Press Release

LAKE TECHNICAL CENTER STUDENT OF THE MONTH

Lake Technical Center is proud to announce that Ferlana Carreno, a Mount Dora resident, has been selected as the Lake Tech October Student of the Month. Ms. Carreno started as a Day Cosmetology student in January 2008. After her December 2008 graduation, Ms. Carreno will study for her state licensure examination, pursue a position as a cosmetologist, and one day open her own a salon.

Ms. Carreno is currently a part-time hostess at the Family Diner in Mount Dora. According to Ms. Carreno, "I love the excitement and hands-on training in my Cosmetology program." She believes a positive work ethic is critical whether at work or at school. "It is important to be here every day, because if you're absent, you miss out on a lot of good training and information. I was program Student of the Month several times, so I was shocked and honored to be selected as October Student of the Month." Ms. Carreno was selected as the Lake Tech Student of the Month from program nominations. To qualify for Student of the Month, students must have perfect attendance, demonstrate outstanding academic achievement, and exemplary work habits.

Other Students of the Month for individual programs are: Thomas Curtis, Eustis; Ross Cantu, Eustis, Accounting Operations; Nanette Griswold, Eustis, Administrative Assistant; Michael Davis, Umatilla, Auto Collision Repair and Refinishing; Karen Ott, Mount Dora, Commercial Art Technology and Graphic Design; Mike Thompson, Clermont, Day Practical Nursing; and Janice Roane, Altoona, Nail Specialty.

Lake Technical Center is a public postsecondary technical school offering high quality training that costs less than most private technical colleges. The Center is accredited by the Commission of the Council on Occupational Education, 41 Perimeter Center East, NE, Suite 640, Atlanta, GA 30346, 800-917-2081. Most programs are approved for VA. Eligible veterans may be certified through the Financial Aid Office. Financial aid may be available for those who qualify. Lake Technical Center is an equal opportunity institution. The new Lake Express bus service stops at the front of the main campus. The main campus is conveniently located at 2001 Kurt St., Eustis and the Institute of Public Safety (IPS) campus is located at 1565 Lane Park Cut-off, Tavares.
